

GLAZES, CHUTNEYS AND CHILI SAUCES WITH A TWIST!

JSC Buga LT | info@bugas.eu, +370 652 05056, www.bugas.eu | Made in Lithuania

Original mix of well-known tastes. There are no other producers of chili and wild berry sauces.

100% natural taste – NO taste enhancers, NO aromatizers, NO food dyes.

Highest quality raw materials – we do not take shortcuts when it comes to quality and use only wild forest berries and highest quality, field grown chili pepper picked once a year, ground when fresh and preserved for use all year round.

Onion & pomegranate CHUTNEY

Onion & Pomegranate Chutney

Onion & Pomegranate Chutney - the latest BUGA's product. Our recipe masters were able to create a unique combination. Caramelized onions with pomegranates give the sauce a fresh, sweet and sour taste, suitable for more than just cheeses. Perfect with fish and meat. Incredibly delicious with burgers.

Surprise your guests - use Onion & Pomegranate Chutney for one-bite snacks with chicken, pâtés, herring or various cheeses. Your culinary fantasies will be truly appreciated!

CHILI pepper

Chili Pepper

BUGA's chili pepper is ground right after picking in the fertile Danube valley. In addition to spiciness, our chili pepper provides natural taste, aroma and color. A great replacement for dried chili pepper in various dishes, soups, marinades or sauces. The product is stable and does not diminish in flavour, aroma or color when heated. A fragrant and savory spice widely used in kitchens around the world.

Use:

- to add spiciness, flavour, colour and aroma to dishes;
- in sauces, stews, soups and all other meals that require some chili;
- to spice up a Bloody Mary or sangrita.

PRODUCT INFO

INGREDIENTS: 87% ground chili pepper, salt, thickener xanthan gum, acidity regulator citric acid, preservative potassium sorbate.

No water, artificial colorings, taste or aroma enhancers added. Free of GMOs or lactose.

Apple & Orange Chutney

This chutney perfectly combines the natural sweetness of apples with refreshing citrus notes and a subtle blend of aromatic spices. Raisins add a pleasant sweetness, while ginger, cinnamon, coriander and thyme give the chutney a rich and distinctive flavour. Its mild taste makes it a great choice for those who enjoy both classic and more adventurous flavour combinations.

Perfect with a variety of cheeses, especially aged and grilled cheeses. It also pairs beautifully with poultry, pork and duck dishes. Serve it with pâtés and appetisers, add it to sandwiches, or use it as a flavourful accompaniment to roasted vegetables.

INGREDIENTS: 41% apples, brown sugar, onions, 8% raisins, apple vinegar, water, 5% orange juice, 2% orange peel, salt, rapeseed oil, ground sweet and chili pepper, ginger, garlic, cinnamon, coriander leaves, thyme, turmeric, thickener xanthan gum, acidity regulator citric acid, glucose-fructose syrup, sugar, preservative potassium sorbate.

No water, artificial colorings, taste or smell enhancers added! Free of GMOs or lactose.

Caramelised Onion Chutney

This chutney combines the rich flavour of onions with the subtle sweetness of caramelised sugar and a gentle touch of chilli. Apple cider vinegar adds a pleasant tang, while garlic and black pepper bring extra depth and aroma. The result is a rich, sweet and tangy chutney with a delicately savoury character.

Perfect with a variety of cheeses, especially aged and grilled cheeses. It also pairs beautifully with beef, pork and poultry dishes, burgers, sandwiches and pâtés. Serve it alongside grilled meats or roasted vegetables for an extra layer of flavour.

INGREDIENTS: 44% onion, sugar, water, apple vinegar, ground sweet and chili pepper, 2% caramelized sugar, salt, garlic, black pepper, acidity regulator citric acid, thickeners: xanthan gum, acetylated distarch adipate, guar gum; preservative potassium sorbate.

No water, artificial colorings, taste or smell enhancers added! Free of GMOs or lactose.
